What concerns you most about your teeth?_____

BENEFITS

Benefits of Orthodontics and Periodontics: Aesthetics, Health, and Function. These dental services provide an improvement in the appearance of the teeth, in the general function of the teeth, and in general dental health. Teeth, gums, and jaws are an intricate body part and can fail to respond to treatment. If good oral hygiene is not practiced, tooth decay and enlarged gums can result. Joint discomfort and root shortening are observed in a small percentage of cases of orthodontics. Teeth change throughout our lifetime and there can be some movement of teeth and some change after treatment. I have truthfully answered all the above questions and agree to inform this office of any changes in my medical or dental history. In addition, I authorize _Dr. Cruz__ to perform a complete orthodontic evaluation.

Patient Name: **Date: Jul 27, 2018**

Sonrisas Dental Center is committed to providing you with the best possible care, and we are pleased to discuss our professional fees with you at any time. Your clear understanding of our Financial Policy is important to our professional relationship. Please ask if you have any questions about our fees, Financial Policy, or your responsibility.

Cancellation/Missed Appointments

- In order to be respectful of the medical needs of other patients, please be courteous and call the office promptly if you are unable to attend an appointment. This time will be reallocated to someone who is in urgent need of treatment. If it is necessary to cancel your scheduled appointment, we require that you call at least 48 hours in advance. Calling early in the day is appreciated. Appointments are in high demand, and your early cancellation will give another person the possibility to have access to timely medical care.

- A failure to show up at the time of a scheduled appointment will be recorded in the patient's chart as a "no-show". There will be a fee of $25.00 for regular appointments and $50.00 for any dental cleanings or surgerys. Late cancellations will be considered as a "no-show". Exceptions will only be made in extraordinary circumstances. Cancellations made more than 24 hours in advance of your scheduled appointment time will not be assessed a cancellation fee.
- Please be sure to arrive at least 15 minutes early
- In consideration of other patients if you arrive more than 5 minutes late for your or your child's appointment you may be asked to reschedule.

Minor Patients

- Sonrisas Dental Center does not see patients under the age of eight (7). An adult parent or guardian must accompany all minor patients (under 18 years of age) and must remain on premises, outside the operatory, throughout the appointment. The parent or guardian accompanying the minor patient is legally responsible for any payments due at that appointment.
- Should you desire to have a grandparent, aunt, uncle or adult sibling accompany your child to their dental appointment, a limited power of attorney, granting that adult the legal authority to make decisions for the child regarding dental issues, is required. This form will also give us legal authority to discuss your child's care with the adult accompanying them and enter into legal contracts with regard to providing services

Please be aware that some appointments will be during WORK or SCHOOL hours

Thank you for understanding and please let us know if you have any questions or concerns.
